

## **TERMS AND CONDITIONS**

For the purposes of Regulation 55B of the Electricity (General) Regulations 2012, as the owner/operator of the solar generation plant, I/we

1. acknowledge that the plant is capable of being remotely disconnected from, and reconnected to, the relevant distribution network by a Relevant Agent;
2. acknowledge that I am responsible for appointing a relevant agent who may remotely disconnect and reconnect the solar generation plant from the distribution network;
3. authorise Discover Energy (authorised Relevant Agent) to remotely disconnect and reconnect the solar generation plant from the distribution network using a dedicated relay internal to a power-of-choice (NER) compliant smart metering installation capability in circumstances where I am lawfully directed to disconnect or reconnect the plant;
4. acknowledge that, if I/we cease to be the owner/operator of the solar generation plant, I/we will advise the authorised Relevant Agent as soon as practicable and in any case no later than 7 days after I/we cease to be the owner/operator of the solar generation plant;
5. acknowledge that I/we may withdraw this authorisation by providing written notice to the authorised Relevant Agent, in which case I/we will be responsible for authorising another Relevant Agent.

## **SERVICE FEES**

Discover Energy will not charge for the service(s) provided as a Relevant Agent.
