

Centrelink Confirmation eServices –

Electronic Scripting Customer Consent Customer consent to verify concession eligibility:

By continuing with this application, I authorise Discover Energy to use Centrelink Confirmation eServices to perform a Centrelink/DVA enquiry of my Centrelink or Department of Veterans' Affairs customer details and concession card status to enable the business to determine if I qualify for a concession, rebate or service.

Services Australia (the Agency) to provide the results of that enquiry to Discover Energy.

I understand that:

The agency will disclose personal information to Discover Energy including my name/address concession card type and status to confirm my eligibility for energy concessions and rebates. This consent, once signed, remains valid while I am a customer of Discover Energy unless I withdraw it by contacting Discover Energy or the Agency. I can get proof of my circumstances/details from the agency and provide it to Discover Energy so my eligibility for energy concessions and rebate can be determined. If I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the energy concession or rebates provided by Discover Energy.
